

# Alexandra Golf Club LATEST UPDATE regarding COVID-19

## Wednesday 25<sup>th</sup> March 2020

### Thursday night Chook Run

Cancelled for the remainder of the season.

A big thankyou to Steve, Peter and Russell for organising and running our Chook run, and everyone who has supported the 2019-2020 Chook run.

Hope to see you all again next Chook run season.

### Saturday Competition

As this stage we are planning to play this coming Saturday the 28<sup>th</sup> March, implementing the following:

- Maximum groups of 3
- Players will be sent off as they arrive (to streamline movement and prevent milling of people around practice green)
- Starter will let you know your current handicap & put your name on the sheet
- Score cards to be filled out and marked by yourself – No swapping, you will still mark partners score on your own card and a verbal acknowledgement of final scores between partners will suffice.
- To eliminate handling money a basket will be placed at starter's box, please have correct amount.
- **COMPULSORY NO SHARING OF GOLF CARTS, CLUB OR PRIVATE**
- **COMPULSORY NO REMOVAL OF PINS** – If a pin is leaning towards you, have a playing partner push the top of the pin away with their putter.
- There will be no nearest the pins
- At completion of round place score card in box provided

There will be no presentations, no raffles, and no bar facilities available.

All results will be published on our web page, and our Facebook page, prizes will be recorded and given out in due course.

Please note things are changing daily, and we will keep you updated as new changes are announced.
